1 | Introduction

Hello! Welcome to the official Google Doc of BeatKhana!'s Mini Random Song Rumble Royale!

The Mini Tournament will be a 30-man, single-elimination style battle royale where all players will duke it out in a fully randomized song pool, consisting of every song present on Beatsaver.com (sans a few exceptions, see below)

Be prepared to play people's first maps, crazy challenge styled maps, and the top of the line PP farmer maps in this wicked mayhem of songs!

3 | Team and Competitor Info

Here's all the information regarding signing up and future rules during the tournament.

= Competitor Info =

- It is **Optional but appreciated** to use a custom CameraPlus preset.
- Make sure to get your game running as smoothly as possible
- All players are required to have advanced hud **ON.**

= Match Info =

1. Players must gather in the Player Lobby and launch their streams 10 minutes before the tourney is set to begin.
2. There will be 6 Assistance Team members, each of which will be in charge of 5 players, and will relay to the Head Coordinator when everyone is ready, or if there are any issues.
3. The Head Coordinator will then randomize a song and start the match.

- Songs with 3-wides/4-wides or using mapping extensions, noodle extensions, chroma, or are auto-generated will be skipped by default.
- Songs longer than 5:30 minutes will be skipped by default.

= Stream Info =

- Once again, It is **Optional but appreciated** to use a custom CameraPlus setup.
- you are required to stream on at least 480p 30fps with a bitrate of 1000 bitrate. Higher quality is much appreciated!
- There may be no other layout present on your stream. Only the gameplay is allowed.
- Mute your microphone in OBS.
- Mute your alerts in OBS.
- Your gameplay needs to fit the entire screen. Keep your stream perfectly centered.
- Streams will be cut to 4:3.

4 | Whitelisted Mods

Please refer to the BeatKhana! website's Rules page for a complete list of whitelisted mods.

<u>Any mod that is NOT on that list is not tournament legal.</u>

Installing TournamentAssistant:
- Locate Beat Saber Directory
- Open Plugins
- place TournamentAssistant.dll in Plugins

5 | Player Signups & Staff Signup

Alright, now that you've carefully read everything, it's time to SIGN UP!

= FIRST =

Join the BeatKhana! Discord, this is where all future announcements will be!

= SECOND =

Signup on the website now!

Players will be picked based on who signs up first. Once we've reached max capacity, all additional signups will be placed on a list as backups. When we have a dropout, the first person to enter the backup pool will get asked to step in as a replacement.

Failure to do any of these steps will make your signup invalid.

WANT TO HELP?

We are always looking for more manpower! For this particular Mini Tournament, we will need casters and 6 coordinators willing to coordinate the full 3 hours in the typical Rumble Royale style tournament.
